

ABHISHEK KUMAR

Abhishek is a policy, research and data science professional supporting Mosaic's consulting team and select clients with research, analysis and thought leadership initiatives. He brings expertise in survey design, data modeling, trend analysis and interpreting complex technical and legal documents. His toolkit includes Advanced Excel, VBA, Tableau and Power Apps.

Abhishek first joined Mosaic in 2020 while completing his MBA in Business Analytics at the Alberta School of Business, where he focused on Financial Analytics. His cross-sector experience spans institutional investment, healthcare, education, retail and technology. He also co-founded a for-profit social venture, Great Indian Basket.

He also holds a Bachelor of Technology from the National Institute of Technology, Durgapur and a Postgraduate Diploma in Intellectual Property Law from NALSAR University of Law. Abhishek lives with his family in Edmonton, Alberta.
